M: I'm ready to go bar-hopping! Let me just grab my passport in case they ask for ID.

W: Ooh, let me see how dorky your passport photo is!

M: The photo IS pretty bad, but here...

W: All of my "official photos" are bad, too, ha ha... Hey, wait a minute. Hiro, you're only 20?

M: I told you that when we met!

W: Well, I forgot! Either way, sorry bud, no bars for you.

M: What?

W: You have to be 21 to buy alcohol in the States!

M: Seriously?? You only have to be 20 in Japan...

W: It's OK. I know a few bars that aren't too strict, and I have a lot of bartender friends.

M: Alright. But if I get arrested, I'm pretending I don't speak any English!
